## CERTIFICATE OF FITNESS TO LOAD GRAIN

This is to certify that the vessel XXXXXXXXXXXXXXXX, IMO No. XXXXXXXXXXXX registered at XXXXXXXX, Deadweight/GRT XXXX/XXXX MT, built at XXXXXXXXXXXXXXXXXXXX in XXXX, bound from XXXXXXXX to XXXXXXXXXXXX, has been surveyed by the undersigned qualified Marine Surveyor.

During our inspection. Hold no. XXXXXXXXXXXX were found apparently clean and dry and there was no sign of any water leakage, any possibilities of cargo contamination, paint odours, or any wetting from overflowing of the bilges on the prescribed goods and is suitable to carry the prescribed goods for intended passage.

The vessel was passed at XXXX HOURS on the XXXXXXXX 2020 as prescribed by the Export Control (Plants and Plant Products) Order 2011 made under Regulation 3 of the Export Control (Orders) Regulations 1982 and in accordance with the Australian Stowage Requirements of Vessels Loading Grain.

This Certificate is issued and is to be read in conjunction with the "Ship Inspection Report and Treatment Order" and the "Loading Permit" issued by Department of Agriculture (DOA), under the Australian Export Control Act.

This Certificate is not an approval to start loading and is not a certificate of seaworthiness. Final approval to start loading must be given by the Department of Agriculture (DOA) and the Australian Maritime Safety Authority (AMSA).
