

Garner Marine Services was started in 2017 by Brendan Garner after 27 years working in the marine industry. Brendan is a qualified boat builder/shipwright, graduating at the top of the class with an overall Victorian Boating Industry apprentice of the year honours in 1999. Brendan went onto complete a diploma in Yacht and Small Craft Surveying in 2011 through IIMS and is a current member of AIMS and IIMS.

The vision of the company is to provide an excellent level of customer service and advice to all of our clients. We employ experienced local staff who are experts in their niche fields and are always striving to improve our skills.

We can provide a vast range of services, mostly to the recreational sector including, surveys, yacht rigging and rope work, vessel maintenance and servicing, coatings systems and mechanical repairs.
